# 2026 NEURO INNOVATE

## X CNS INNOVATION INSTITUTE

**NEW THIS YEAR: CNS INNOVATION INSTITUTE FELLOWS PROGRAM | AUGUST 6**

**THE DAVID RUBENSTEIN FORUM | CHICAGO, ILLINOIS**

**COURSE DIRECTORS | MOHAMAD BYDON, MD, SHARONA BEN-HAIM, MD & GARNI BARKHOUDARIAN, MD**

**TARGET AUDIENCE:** This course is designed for orthopedic surgeons, neurosurgeons, neurologists, physician assistants, nurse practitioners, nurses, residents, fellows, researchers, and medical/health professional students.

**COURSE DESCRIPTION:** The Neuro Innovate course will equip seasoned and new-to-the-field professionals with the knowledge and skills to thrive in the evolving landscape of neurosurgery innovation. Participants will have the opportunity to gain invaluable insights from neurosurgeons shaping the future of research and practice.

The Congress of Neurological Surgeons has endorsed this educational activity as relevant to the practice of Neurological Surgery.
